SUMMARY

Enthusiastic Front-End Developer with a Bachelor of Computer Applications (BCA) from DG Vaishnav College. I have hands-on experience with various technologies, including Python, MySQL, HTML, CSS, Tailwind CSS, JavaScript, React.js, Next.js, Framer Motion, Material UI, and Shadcn UI. With a strong passion for technology, space, environmental causes, and continuous learning, I am eager to contribute to innovative projects and push technological boundaries within a dynamic organization.

EXPERIENCE

Rocket Learning   June 2024 – Present
Front-end Developer - Intern   *Remote, India*
- Analyzed complex datasets to provide actionable insights, enhancing decision-making processes.
- Developed strong problem-solving skills through data analysis and interpretation.
- Collaborated effectively within a team environment, improving overall project outcomes and fostering a collaborative work culture.

Prodian Infotech Pvt Ltd   January 2022 – May 2022
Data Analytics - Intern   *Chennai, India*
- Analyzed complex datasets to provide actionable insights, enhancing decision-making processes.
- Developed strong problem-solving skills through data analysis and interpretation.
- Collaborated effectively within a team environment.

EDUCATION

DG Vaishnav College   2020 – 2023
Bachelor of Computer Applications (BCA)   *Chennai, India*
- CGPA: 8.00/10.00
- Relevant Coursework: Data Structures, Web Development, Database Management Systems

TECHNICAL SKILLS

Programming Languages: JavaScript, Python, SQL
Web Technologies: HTML5, CSS3, Tailwind CSS, RESTful APIs
Frameworks & Libraries: React.js, Next.js, Framer Motion, Material UI, Shadcn UI
Databases: MySQL, MongoDB
